FR. PETE:

The children have returned to school. Please be alert while driving and be sure to obey the posted speed limits.

Many thanks to the City crew that installed the safe zone markings from our parking lot to the Parish Hall.

Please read the enclosed bulletin insert from Deacon Mike Lemam of the Office of the Legislative Liaison.

Our Bishop has asked that this information be disseminated in all the parishes. To read the Bishop's position on "Deferred Action for Childhood Arrivals" (DACA) that was instituted under President Obama, please go to the Diocesan website at www.dioceseofcheyenne.org and then scroll down to "Press Release" and click on "August 15, 2017."

Many thanks to Larry Vignaroli. Once again Larry has shown his generosity to the parish. New lights were installed in the rectory office, living room and bedroom and what a difference they make to the quality of light. In addition, new track lighting was installed in the front entrance of the Church to make it much

brighter. And many thanks to Nate of Modern Electric who installed all the lighting improvements.
